Would you or your business like to be a part of the 12th annual Fourth on the Farm, taking place July 3-5, 2026 at Morgan Creek Farms in Quakertown, PA? Fourth on the Farm is a 2-day celebration of original live music, art, and community held at the beautiful Morgan Creek Farms in Quakertown, PA. Just an hour from Philadelphia and only 1.5hrs from NYC, Fourth on the Farm draws in touring musicians from all over the country along with the hottest up-and-coming regional acts. Our goal is to foster music and art through a wholesome sense of community and connection.

Sponsorships are an excellent way to support the arts and the Hog Wild community while promoting your name or brand! The growth of Fourth on the Farm over the years is largely thanks to the generous support of our sponsors. These events wouldn't be possible without the strong community that has developed around them and the valuable partnerships we've formed.
